SYNERGY FROM GROUP COMPANIES

India's largest automotive seating, interiors & speciality vehicles manufacturing company

Structural Parts

Specializing in industrial automation systems, development, production & integration of competitive, high-quality & innovative products

Design & Engineering

India's leading corporate-launched incubator with 100+ startups, 15+ Corporate Partners, 500+ investors

Start-up Ecosystem

SHEET METAL PARTS AND ACCESSORIES FOR 2W AND 3W PRODUCTS

Chassis frame

Chassis Frame for 2W and 3W
Powder-coating

Battery pack assembly

Battery pack assembly facility available for customised battery packs with prismatic cells including – Pre-assembly, assembly and post assembly infra for battery packs for 2W/3W with the capacity of ~300 no of packs per day

Chassis components

Main stand
Side stand
Rear fork
Swingarm
Handlebar
